SOCIAL SCIENCES AND HUMANITIES RESEARCH COUNCIL (SSHRC)

The research grant applications are now in our office together with the revised "Guide for Applicants". As a result of the delay in forwarding them to the Universities, the deadline date has been postponed to JUNE 1 to Ottawa. We would, therefore, appreciate receiving the ORIGINAL AND SIX COPIES of the grant applications no later than MAY 24. Please be sure to include proof of citizenship as this is a mandatory requirement as of this year.
